

ForestValue

Some European Collaboration opportunities (Networking survey excerpt)

ForestValue Outreach seminar for International Collaboration

Buenos Aires, 8.-9. October 2019

Carina Lemke

Agency for Renewable Resources (FNR)

ITALY - CREA-AA (Research institution)

- 🍁 Interest: resilience of forest ecosystems; climate change
- 🍁 We look for: Information exchange; Preparation of project proposals; Connections to researchers
- 🍁 Languages: Italian
- 🍁 We offer: Experience and interest in writing H2020 proposals
- 🍁 Contact: Sofia Bajocco, sofia.bajocco@crea.gov.it

AUSTRIA - BOKU Vienna

- 🍁 Core action: Lignin analysis
- 🍁 Interest: green chemicals, components; value-added products; utilization of soft and hardwood resources; biorefineries; new materials
- 🍁 We look for: Bilateral cooperation; Connections to researchers
- 🍁 Languages: English; German
- 🍁 Experience: FP7, H2010, FFG, CDG
- 🍁 Contact: Antje POTTHAST, antje.potthast@boku.ac.at
www.flippr.com

AUSTRIA - Institute of Production and Logistics, University of Natural Resources and Life Sciences, Vienna

- 🍁 Core action: research, Wood Supply Chain Management: Plan, design, operate, control and monitor wood supply chains
- 🍁 Interest: Bioeconomy; digitilization; Forestry; business concepts; logistics; scenarios; biorefineries; climate change
- 🍁 We look for: Bi- and Multilateral cooperation; Joint call participation; Joint organisation of conferences
- 🍁 Languages: English; German; Spanish
- 🍁 We offer: Experience and interest in participating in multilateral calls and in writing H2020 proposals
- 🍁 Experience: MULTISTRAT, ERA-NET TRANSPORT III Flagship Call ; Greenlane, ForestValue ERA-NET Cofund Call; FOROPA, South East Europe Programme
- 🍁 Contact: Dr. Peter Rauch, peter.rauch@boku.ac.at;
<https://boku.ac.at/en/wiso/pwl/forschungsprojekte/wood-supply-chain-management>

SWEDEN - Skogforsk ("The Forestry Research Institute of Sweden")

- 🍁 Core action: "Develop and communicate knowledge, services and products to support even greater sustainability in forestry to benefit the society."
- 🍁 Interest: Bioeconomy; breeding; green chemicals, components; digitization; Forestry; resilience of forest ecosystems; biotechnology; Genetics; pest control; value-added products; business concepts; Sustainability; economic, social and environmental values of forest products and services; data storage, formats and protocols; Harvesting; utilization of soft and hardwood resources; societal perceptions and dialogue; logistics; industrial production and processing technologies; full life cycle; scenarios; circular economy; biorefineries; climate change; energy and resource efficient processes
- 🍁 We look for: Bi- and Multilateral cooperation; Information exchange; Connections to funding organisations, researchers, businesses; Preparation of project proposals
- 🍁 Languages: English;French;German;Swedish, Other
- 🍁 Experience: "Many EU-projects (H2020: ERA-Nets), bilateral cooperations
- 🍁 Contact: Lars Wilhelmsson, lars.wilhelmsson@skogforsk.se
<https://www.skogforsk.se/english/>

ITALY - Walden s.r.l.s. (SME)

- 🍁 We look for: Bi- and Multilateral cooperation; Information exchange; Connections to funding organisations & businesses; Preparation of project proposals; Joint organisation of conferences
- 🍁 Languages: English; Spanish
- 🍁 We offer: Experience and interest in writing H2020 proposals; Contribution in kind to cooperation
- 🍁 *Walden is currently partner of Life Climate Action project "GreenChainSAW4Life". However, our team is coordinating different H2020 projects (Project O, CLAIM, FreeWheel) participates in other international cooperation projects in H2020 programme (Symbionica, REMOTE), Alpine Space (GreenRisk4Alps)*
- 🍁 - *Design, provision and management of electric/water/waste systems for civil, industrial and public buildings based on solutions with low environmental-social footprint;*
- 🍁 - *Sustainable Forest Planning and Management addressed to satisfy diversified economic, social, and environmental needs of local communities, including other bioresources and bio wastes*
- 🍁 - *Rural innovation, involving other SMEs and Public Bodies of local agricultural, food, wood and tourism value chain in the development of new and sustainable products and services.*
- 🍁 Contact: Lucio Vaira, lucio.vaira@walden.srl, <https://ec.europa.eu/easme/en/life>

UKRAINE - Ukrainian National Forestry University

- 🍁 Interest: Bioeconomy;Forestry;resilience of forest ecosystems;Genetics;pest control;Sustainability;economic, social and environmental values of forest products and services;Harvesting;non-wood forest products;utilization of soft and hardwood resources;logistics;industrial production and processing technologies;climate change;energy and resource efficient processes;new materials
- 🍁 We look for: Multilateral cooperation;Bilateral cooperation;Connections to funding organisations;Preparation of project proposals;Joint call preparation
- 🍁 Languages: English;German
- 🍁 We can offer: Experience and interest in participating in multilateral calls;Experience and interest in writing H2020 proposals;Experience and interest in helping conduction of calls;Contribution in kind to cooperation;Experience and interest in event organisation
- 🍁 Experience: "Horizon 2020 POWER4BIO, 2018-2021"
- 🍁 Contact Vasyl Lavnyy, lavnyy@gmail.com
