

## ForestValue2 Project

23 MAY 2024

## BREAKFAST CLUB

"Forest adaptation and mitigation capacity towards climate change effects on biodiversity conservation by promoting *ex situ* conservation of forest genetic resources"- ForestValue2 Project

## Opening

11:00-11:05

Ovidiu Badea, Scientific Director of "Marin Drăcea" National Institute for Research and Development in Forestry (INCDS), Romania

## Event description and context

11:05-11:25

**Forest Value2 Project: WP6 - Others joint activities**

Ecaterina Apostol (INCDS, RO), Ovidiu Badea (INCDS, RO),  
Alessandro Paletto (CREA, IT), Isabella De Meo (CREA, IT),  
Sonia Marongiu (CREA, IT), Mika Kallio (MMM, FI)

## Plenary

11:25-11:40

**Relevance of *ex-situ* conservation of Forest Genetic Resources for forest adaptation and biodiversity conservation**

Invited speaker: Jan Kowalczyk, senior scientist, Forest Research Institute, Department of Silviculture and Genetics, Poland

## Focus groups

11:40-12:40

**Setting up Focus groups on perception to the topic of the scientific event.**

Moderator: Ecaterina Apostol, senior scientist, "Marin Drăcea" INCDS, Forest genetic Department, Romania.

## Discussion and conclusions

12:40-13:00

**Aro Palace Hotel**, 27 Eroilor Blvd., Brasov, Romania  
Blue Saloon (Salon albastru) First Floor

**ZOOM Link**

Meeting ID: 963 7081 1478; Passcode: 911961
